The Last Night at Tremore Beach

Penguin

During WWII, a teenage boy finds his voice, the courage of his convictions, and friends for life in an emotional and uplifting novel by the New York Times and #1 Amazon Charts bestselling author. 1941. Steven Katz is the son of prosperous landowners in rural California. Although his parents don't

approve, he's found true friends in Nick, Suki, and Ollie, sons of field workers. The group is inseparable. But Steven is in turmoil. He's beginning to acknowledge that his feelings for Nick amount to more than friendship. When the bombing of Pearl Harbor draws the US into World War II, Suki and his family are forced to leave their home for the internment camp at Manzanar. Ollie enlists in the army and ships out. And Nick must flee. Betrayed by his own father and accused of a crime he didn't commit, he turns to Steven for help. Hiding Nick in a root

cellar on his family's farm, Steven acts as Nick's protector and lifeline to the outside world. As the war escalates, bonds deepen and the fear of being different falls away. But after Nick unexpectedly disappears one day, Steven's life focus is to find him. On the way, Steven finds a place he belongs and a lesson about love that will last him his lifetime.

Legado en los huesos Feiwel & Friends
Soon to be a major series for Amazon Prime . . . 'Red Queen is one of the most extravagantly entertaining novels I've ever read. It's an electrifying serial-killer thriller, fiendishly clever puzzle mystery, and sensitive portrait of a fascinating

young woman. I loved every word.' - A.J. Finn, bestselling author of *The Woman in the Window* You've never met anyone like her . . . Antonia Scott is special. Very special. She is not a policewoman or a lawyer. She has never wielded a weapon or carried a badge, and yet, she has solved dozens of crimes. But it's been awhile since Antonia left her attic in Madrid. The things she has lost are much more important to her than the things awaiting her outside. She also doesn't receive visitors. That's why she really, really doesn't like it when she hears unknown footsteps coming up the stairs. Whoever it is, Antonia is sure that they are coming to look for her. And she likes that even less. Juan Gómez-Jurado's internationally bestselling thriller series has sold more than two million copies to

date in Spain alone. Translated by Nick Caistor.

The Ice Princess Editorial GEDISA
"You'll want to race through The Silence of the White City, but it's best to slow down and savor the full effect of the volatile, intoxicating universe Sáenz has created. This is the first novel of the White City trilogy to be translated into English—the second can't come fast enough." —AirMail HOW DO YOU STOP A KILLER WHO'S ALWAYS TWO STEPS AHEAD? A madman is holding Vitoria hostage, killing its citizens in brutal ways and staging the bodies. The city's only hope is a brilliant detective struggling to battle his own demons. Inspector Unai López de Ayala, known as "Kraken," is charged with investigating a series of ritualistic murders. The killings are eerily

similar to ones that terrorized the citizens of Vitoria twenty years earlier. But back then, police were sure they had discovered the killer, a prestigious archaeologist who is currently in jail. Now Kraken must race to determine whether the killer had an accomplice or if the wrong man has been incarcerated for two decades. This fast-paced, unrelenting thriller weaves in and out of the mythology and legends of the Basque country as it hurtles to its shocking conclusion.

The Lords of Time Macmillan
In this pulse-pounding debut novel, two women are pulled into the darkness of a terrifying plot that could threaten both their lives. No one has forgotten the unsolved kidnapping of four-year-old Nicolás Acosta. It galvanized Madrid,

shaking it to its core. Two years later, another young child--similar in age and appearance to Nicolás--disappears from the same suburban shopping mall, drawing Chief Inspector Ana Arén back into the case she could never close. This is her chance at redemption. As fears of a serial kidnapper threaten to consume the city once again, Ana's friend, reporter Inés Grau, jumps at the chance to cover it. But the pressure on Ana is greater than ever as she straddles an ethical line. How much information is she willing to leak to Inés to solve the case? How much is she willing to accept from a brilliant computer hacker she trusts with her life? The investigation becomes even more personal for Ana when Inés's own son disappears. As the truth slowly begins to surface, Ana finds herself on

shifting ground, facing a shocking reality that may drag her under...

Tedd and Todd's secret HarperCollins

The third novel in the internationally bestselling White City Trilogy sees Kraken on the hunt for a murderer whose macabre crimes are lifted straight from history. Kraken is enjoying life as a family man, content to spend his days with Alba and their young daughter Deba. But there's no rest for the weary, especially when you're the most famous investigator in Vitoria. Kraken and Esti are charged with investigating the mysterious disappearance of two sisters and finding it hard to make any headway when a wealthy businessman's murder appears to shine a light on the case. The man was poisoned with a medieval aphrodisiac--a crime that has eerie

similarities to one detailed in the novel everyone in Vitoria is buzzing about. When the two sisters are discovered trapped behind a wall--bricked up alive--the parallels to the novel are undeniable. With the author's identity a closely held secret, will Kraken be able to track down the killer before they can strike again? Or will Vitoria's sordid underworld finally break Kraken, and his family, apart.  An ancient mystery. An impossible place. An unimaginable adventure. Professor Castillo's daughter has mysteriously disappeared in the Amazon jungle.

Determined to find her, he begs Ulysses and Cassie to go with him. Unable to dissuade him and not wanting him to go on his own, they both accept to help their old friend in his crazy attempt at her rescue. The three embark on an incredible journey to a place which should not exist. A journey nobody has ever returned from. Author's Note: Black City is a new adventure of Ulysses, Cassie, and Doc Castillo, the three protagonists of the international bestseller *The Last Crypt*. Although *The Last Crypt* chronologically precedes *Black City*, they are two separate novels, completely independent, and may be read in any order

"When novelist Manuel Ortigosa learns that his husband, Álvaro, has been killed

in a car crash, it comes as a devastating shock, but it won't be the last. He's now arrived in Galicia where Álvaro died. It's where the case has already been quickly closed as a tragic accident. It's also where Álvaro hid his secrets. The man to whom Manuel was married for fifteen years was not the unassuming man he knew. Álvaro's trail leads Manuel deep into one of Spain's most powerful and guarded families. Behind the walls of their forbidding estate, Manuel is nothing but an unwelcome and dangerous intruder. Then he finds two allies: a stubbornly suspicious police lieutenant and Álvaro's old friend, and private confessor, from seminary school. Together they're collecting the pieces of Álvaro's past, his double life, and his mysterious death"--

“Absorbing . . . impossible to resist.”
—The Washington Post As Europe erupts, can one young spy protect his queen? #1 New York Times bestselling author Ken Follett takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with his magnificent new epic, *A Column of Fire*. In 1558, the ancient stones of Kingsbridge Cathedral look down on a city torn apart by religious conflict. As power in England shifts precariously between Catholics and Protestants, royalty and commoners clash, testing friendship, loyalty, and love. Ned Willard wants nothing more than to marry Margery Fitzgerald. But when the lovers find themselves on opposing sides of the

religious conflict dividing the country, Ned goes to work for Princess Elizabeth. When she becomes queen, all Europe turns against England. The shrewd, determined young monarch sets up the country’s first secret service to give her early warning of assassination plots, rebellions, and invasion plans. Over a turbulent half century, the love between Ned and Margery seems doomed as extremism sparks violence from Edinburgh to Geneva. Elizabeth clings to her throne and her principles, protected by a small, dedicated group of resourceful spies and courageous secret agents. The real enemies, then as now, are not the rival religions. The true battle pitches those who believe in tolerance and compromise against the tyrants who would impose their ideas on everyone

else—no matter what the cost. Set during one of the most turbulent and revolutionary times in history, *A Column of Fire* is one of Follett's most exciting and ambitious works yet. It will delight longtime fans of the Kingsbridge series and is the perfect introduction for readers new to Ken Follett.

"A mongrel dog named Freaky, the corpse of a man with a seemingly endless list of aliases, and a handful of tips from an anonymous woman caller. With these elements hard-nosed Inspector Petra Delicado and her sentimental sidekick, Fermin Garzon, begin an investigation into big-money dog smuggling. Their best leads come from the most unlikely sources: a

ruggedly handsome vet; a blond bombshell who trains guard dogs; an eccentric university professor; and a haughty dog groomer. At times, these two world-wise detectives are at a loss, but Delicado and Garzon are not the sort of cops that rely on hunches. They methodically pursue their investigation, drawing the reader into a complex and sordid story in which passions and profits turn men into beasts and animals into victims. Dog Day is set in a Barcelona that few visitors to the city will ever see, a Barcelona that lurks beneath the surface of one of Europe's most dazzling cities. A broken heart, a new monstrosity, and another dead body accompany every step through this demimonde."--BOOK JACKET.

The first Inspector Costas Haritos Mystery from the acclaimed Greek thriller writer. "A tale well told, set in a novel and engaging locale" (Los Angeles Times). When an Albanian husband and wife are found dead in their home, Inspector Costas Haritos, a veteran junta-trained homicide detective on the Athens police force, is called to what seems at first to be an open-and-shut

case. But when Albania's celebrity television news reporter Yanna Karayoryi insists that the case was closed too early, Haritos becomes unnerved. Moments before she is to go on the air with a startling newsbreak, Yanna is suddenly murdered. Caught between a bumbling junior officer and higher-ups all too easily influenced by news executives determined to protect their own, Costas Haritos sets out to get to the bottom of the matter—and ends up neck deep in a dark form of smuggling that has emerged in Albania after the dictatorship. “The material is rich, the characters are drawn with depth, and Haritos himself is an intriguing find.” —Paul Skenazy, *The Washington Post*

Book Club Selection The “extraordinary . . . monumental masterpiece” (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. “Follett risks all and comes out a clear winner,” extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of

Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece.

The Speed of Light Open Road + Grove/Atlantic

An unearthly encounter. A surprising ending. A story that will make you feel and believe in love. The time to do something with his life had come for Aaron. The dissatisfaction and feeling of loneliness prevented him from being

happy. He needed to feel fulfilled, to take a step in another direction, to capture what he had been surrounding in his head for too long. For Dana, life with her boyfriend was not what she would have wanted, something in her relationship was losing her happiness. She longed for the one who could one day be something else, her late friend Oscar. Wanting to honor him and put an end to the pain of his absence, pushed her to take a course hitherto unknown.

*** A beautiful story of love and fear.

Dog Day Penguin

In the debut crime novel from the Booker-winning author, a Dublin pathologist follows the corpse of a mysterious woman into the heart of a

conspiracy among the city's high Catholic society. It's not the dead that seem strange to Quirke. It's the living. One night, after a few drinks at an office party, Quirke shuffles down into the morgue where he works and finds his brother-in-law, Malachy, altering a file he has no business even reading. Odd enough in itself to find Malachy there, but the next morning, when the haze has lifted, it looks an awful lot like his brother-in-law, the esteemed doctor, was in fact tampering with a corpse—and concealing the cause of death. It turns out the body belonged to a young

woman named Christine Falls. And as Quirke reluctantly presses on toward the true facts behind her death, he comes up against some insidious—and very well-guarded—secrets of Dublin's high Catholic society, among them members of his own family. Set in Dublin and Boston in the 1950s, the first novel in the Quirke series brings all the vividness and psychological insight of Booker Prize winner John Banville's fiction to a thrilling, atmospheric crime story. Quirke is a fascinating and subtly drawn hero, Christine Falls is a classic tale of suspense, and Benjamin Black's debut marks him as a true master of the form.
